

## **Colossians 3 – A life from above**

1– In your opinion, why don't most of the people who consider themselves disciples of Christ act like Him?

2– Have you ever felt frustrated for trying to obey God's law? How was your experience with it? In your opinion, why did this happen?

3– What is the practical difference between obeying Christ because you have to or as an obligation, and obeying Christ because you love Him and as an act of gratitude?

4– Explain the expressions "set your heart on things above" and "set your mind on things above" (Colossians 3:1-2). Think and share with the group some practical examples of how you could do this day by day.
